

REQUEST FOR PROPOSALS

The Corner Brook Senior Hockey Association Inc., the organization behind the Corner Brook Royals in West Coast Senior Hockey League, is pleased to invite proposals for the provision of funding, from interested groups involved with Minor Sports programs within the Corner Brook Region, including communities in the Bay of Islands, Massey Drive and Steady Brook.

This program of funding for Minor Sports organizations is being promoted as an expression of appreciation back to the community for the loyal support, both from our many fans and corporate sponsors.

Ideally, funding will be considered based upon criteria as is set out below, but may not necessarily be so limited, subject to the Organization's consideration.

- i) Funding will help towards specific projects focused on providing, improving or upgrading of Minor Sports facilities.
- ii) Funding may also be provided to assist in Registration Fees for children who may require such assistance in order to participate in their program.
- iii) Funding may also be provided based upon provision of equipment to facilitate individual or specific team needs for competition.
- iv) Any other proposal involving the development and promotion of Minor Sports programs may be considered.

Proposals must be specific in detailing the use of funds and should also include a statement of potential positive impact such financial assistance will provide to the Minor Sports organization and its program.

The proposals should not exceed two typewritten letter size pages, but may also include, as an appendix, any drawings, plans or outlines to amplify the nature and scope of proposed program.

The composite amount of funding in total will be determined by the Royals organization but will not exceed a maximum of \$5000.00 for any one submission/organization.

Proposals must be forwarded to the secretary by July 15, 2018 at the following address:

Michael Luedee
3 Quigley Place
Corner Brook, NL
A2H 6X6

Successful proponents will be notified as soon as reasonably possible thereafter, but no later than August 23, 2018.

Thank you for your support!
